The supply SQUEEZE

Sencha

Leaf for bottled and brewed tea. Less of it to go round.

Tencha

The leaf that becomes matcha. Output was 40.1% higher in 2024 than in 2022.

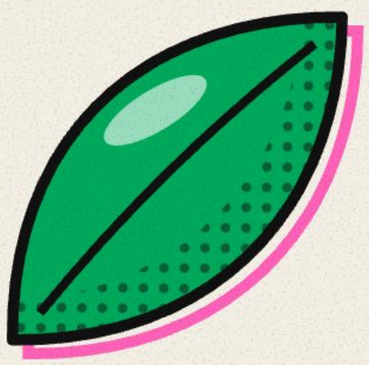

Farmers moved toward the leaf that sells for more, and the other tea got scarcer.

What brands CAN BORROW

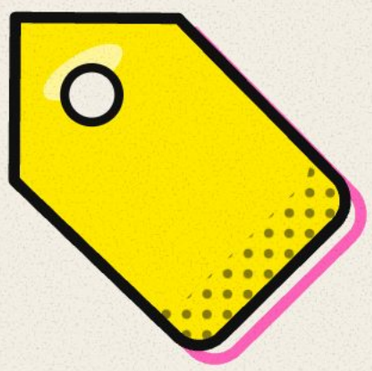

Name the origin

Where the leaf was grown is part of the product.

Say what it is for

Drinking, baking or topping, so shoppers pick right.

Plan supply early

A boom can outrun what farms can grow.
