Who uses what, where

Method	Where it wins
Credit card	Most spending, online and in store
QR · PayPay	Small shops, younger users
Suica · e-money	Trains, konbini, vending
Konbini payment	Online orders, no card needed
Bank transfer	B2B and big purchases

Aidan McFarlane **aidanmdesign.xyz**

B2B runs on month-end

Japanese companies usually close invoices at month end and pay at the end of the next month.

Agree the terms before the first job.
