What goes in a Japan or Korea campaign brief

01

Your home brief won't travel

Channels, claims rules and approval chains all change.

The approver may be three levels above your contact.

Channels

Claims rules

Approval chain

02

Name the local channels

List exact placements and sizes for each platform.

Japan	Korea
LINE	Naver
X	KakaoTalk
Instagram	Instagram
Rakuten	Coupang
Amazon	

03

Clear the claims first

Both markets regulate cosmetics and health claims closely, and sponsored posts must be labelled.

- ✓ Legal sign-off before design
- ✗ Rewriting claims on final artwork

Also in the brief

Customer — Who buys it locally and what they compare you with

Assets — Local logo versions, approved translations, image rights for Asia

Approvals — Names, roles and how long each sign-off takes

Dates — Launch date and local holidays

Most delays start with the brief, not the design.
