Who sits where in a Japanese meeting

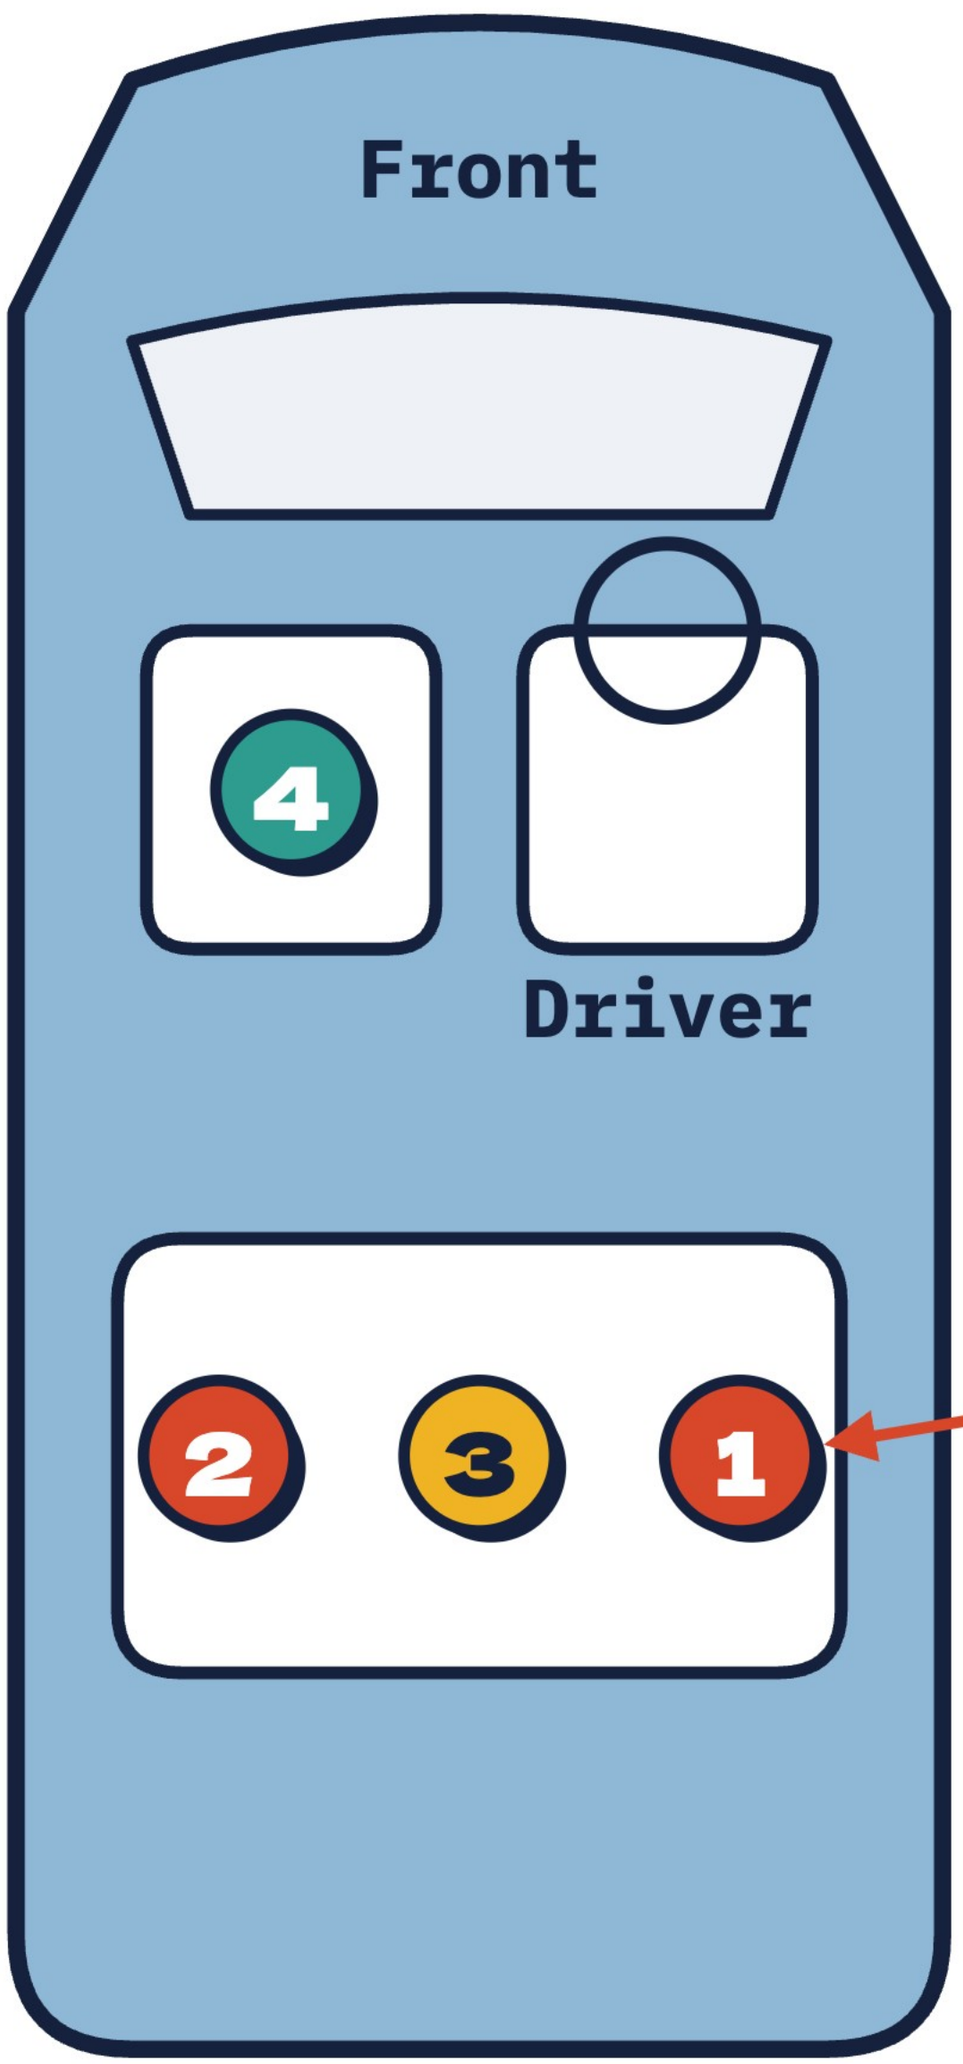

Aidan McFarlane

aidanmdesign.xyz

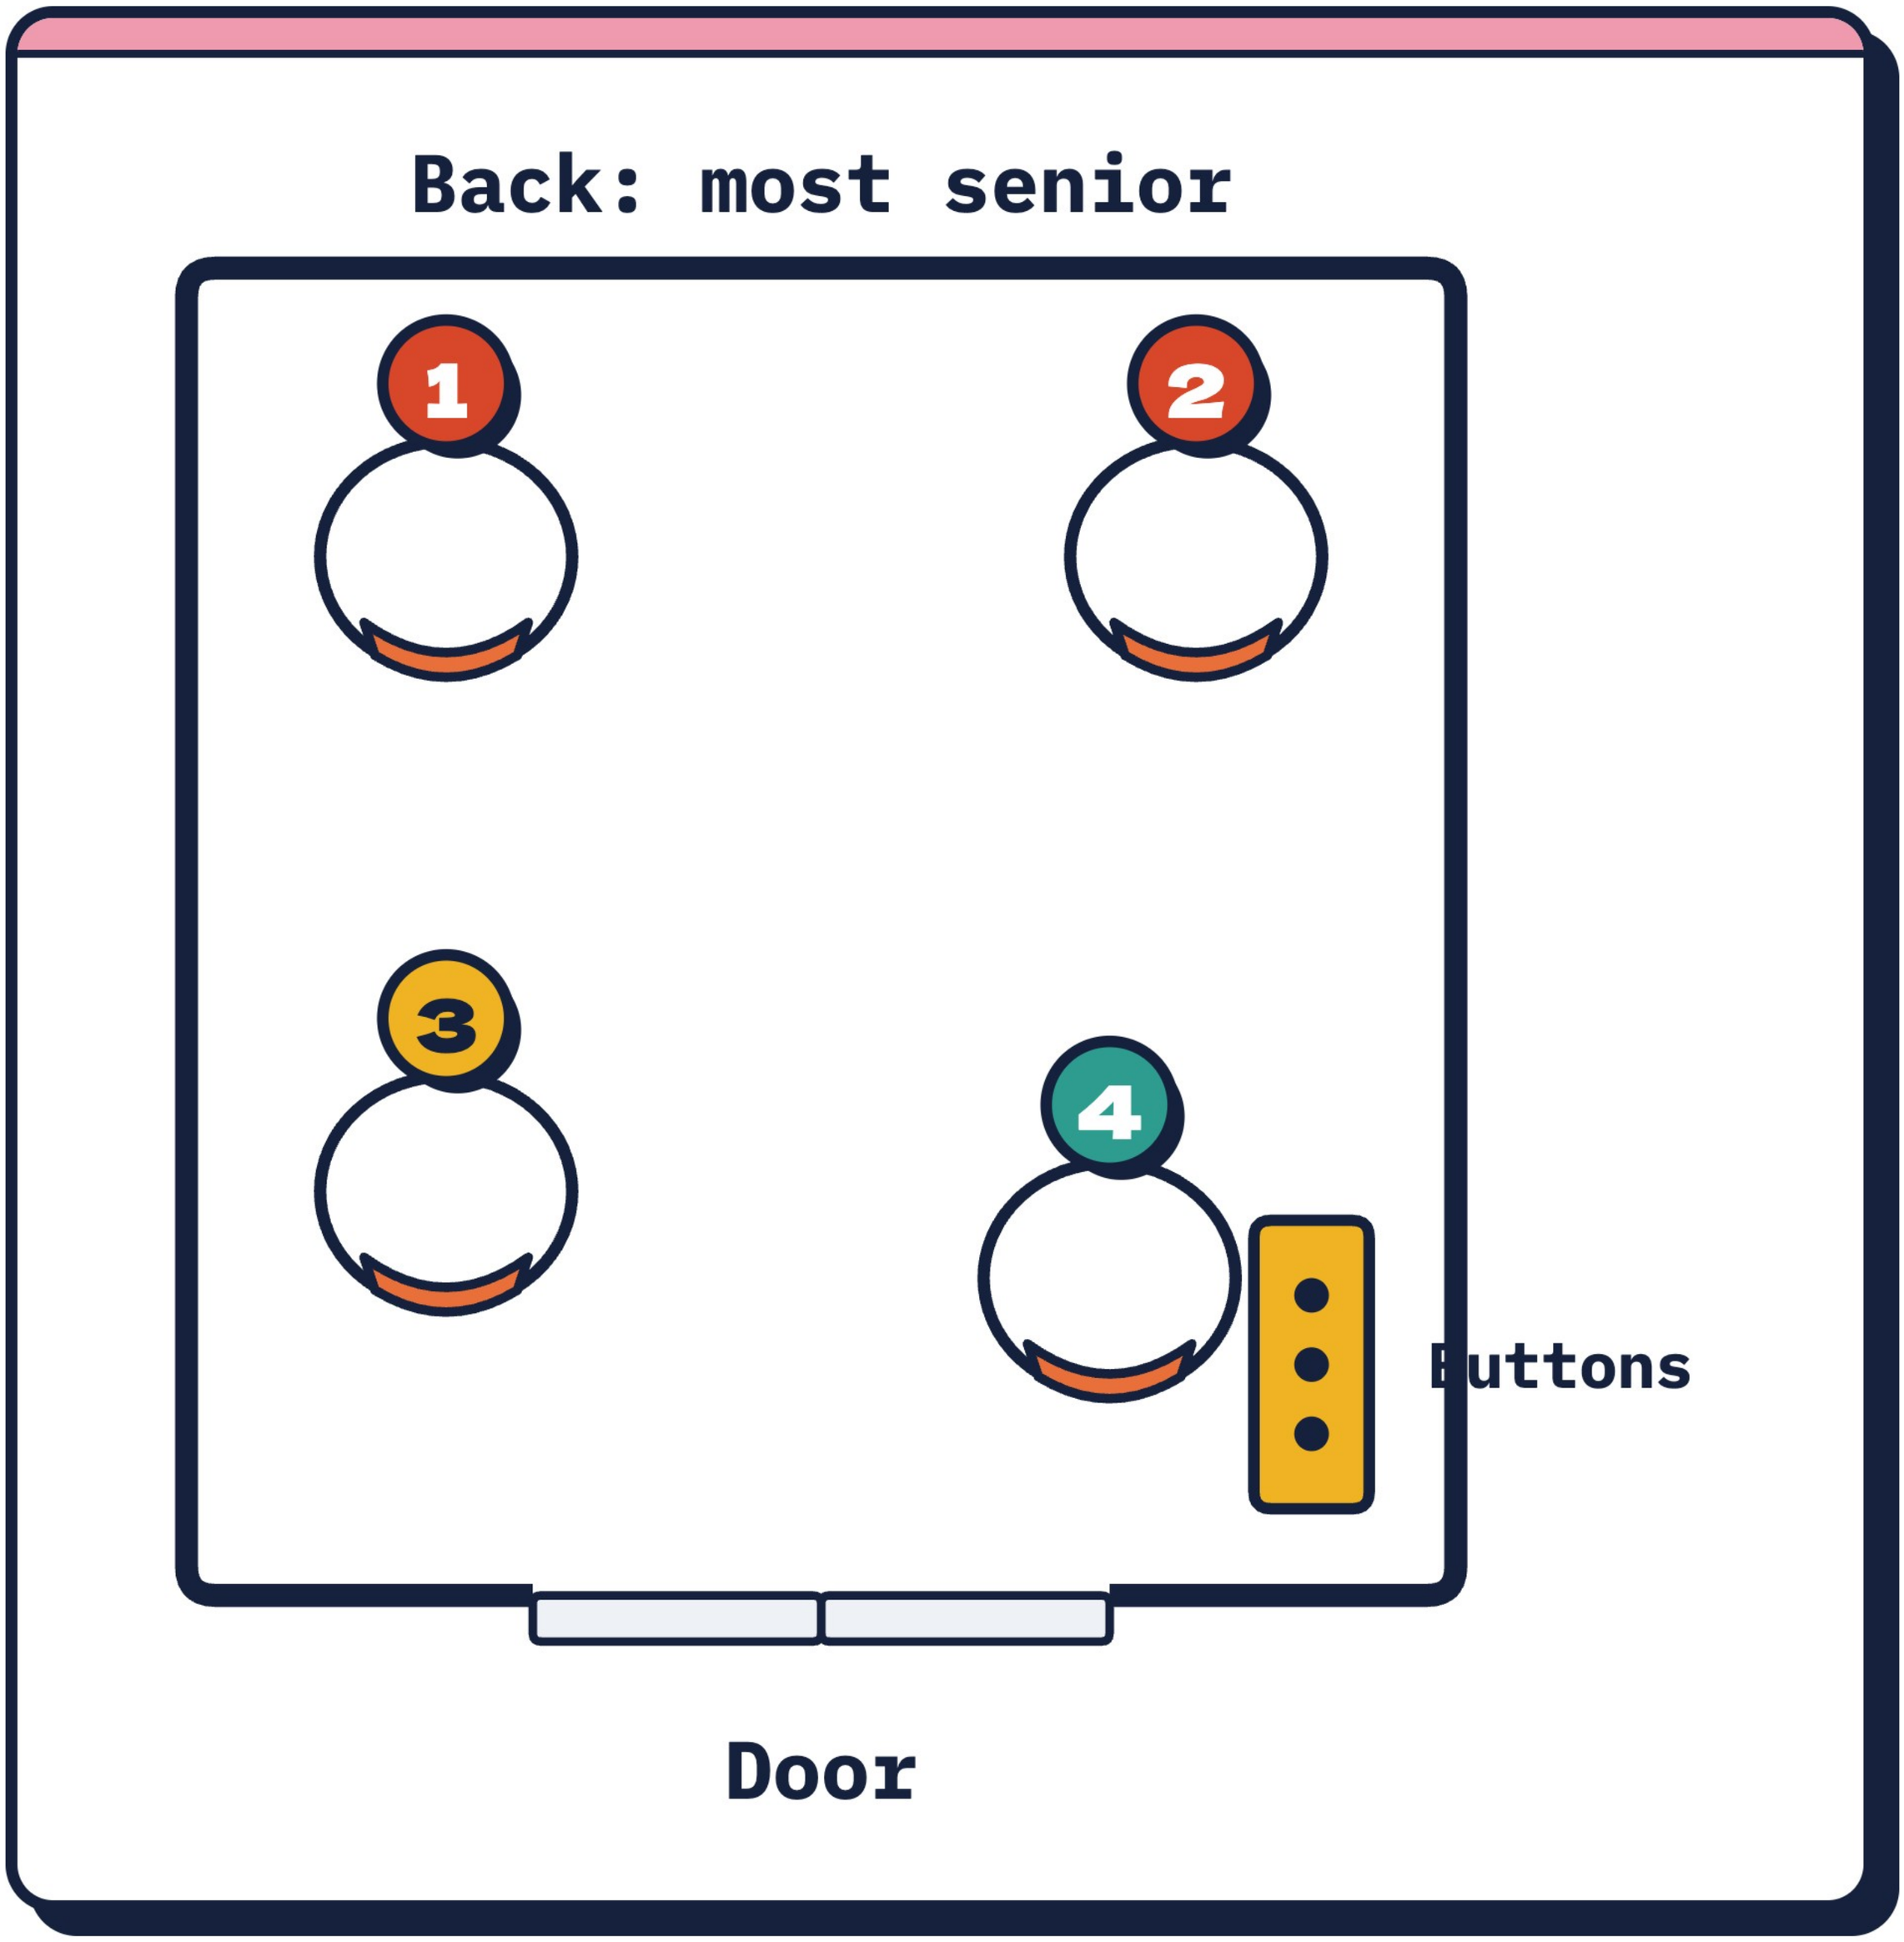

Furthest from the door is the top seat

Same rule in a taxi

And in the lift

If you're hosting

Arrive first

Show guests to the far side

Near the door

Take that seat yourself

Offer twice

If they decline the top seat, let it go

Where you sit says who you think matters.

Taking a Western brand into Japan, Korea or wider APAC?

Give me a shout
