When a post breaks the rule

Involvement: briefing, paying, or a relationship that shapes the post

The rule in three facts

Oct 2023	Stealth marketing designated under 景品表示法
Advertiser	The company is liable, not the influencer
Jun 2024	First order: discounts for Google Maps stars

Write it into every brief

Contract Disclosure terms in Japanese or Korean

Placement At the start, not in hashtags

Reviews Incentives count as advertising

Records Keep briefs and payments

If you shaped the post, it's your ad.
